JOB CORPS GIRLS AND HOSTESSES — Seated, representatives of the Poland Springs Job Corps Center, who are spending this week at Telstar Regional High School (left to right): Irene Burse, Bessie Green, Jean Muse, Betty Gray, Marsha Steward, Maxine Young. Standing, girls at Telstar who are serving as hostesses, (left to right): Cheryl Stevens, Sylvia Kimball, JoAnn Bickford, Bethany Andrews, Susan Brooke, Rayann Burnham.

SIX JOB CORPS GIRLS SPENDING WEEK VISITING TELSTAR HIGH SCHOOL

Last Sunday afternoon, six girls from the Poland Springs Job Corps Center arrived at Telstar Regional High School and were greeted by six Telstar students with whom they are residing this week. The corpswomen were given a tour of the school with some ensuing discussion about the system, and eventually departed to meet the families of the Telstar students with whom they are staying. The remainder of the week the corpswomen will accompany these Telstar students to their daily school classes and activities as well as participate in various home and social engagements. The hostesses and guests are as follows: Cheryl Stevens and Irene Burse; Sylvia Kimball and Bessie Green, JoAnn Bickford and Jean Muse; Bethany Andrews and Betty Gray; Susan Brooke and Marsha Steward; and Rayann Burnham and Maxine Young.

A couple of responses on the part of the girls regarding Telstar are as follows:

"I like the flexibility of the educational program for it allows each student to seek his own academic needs and to develop into a wholesome individual."

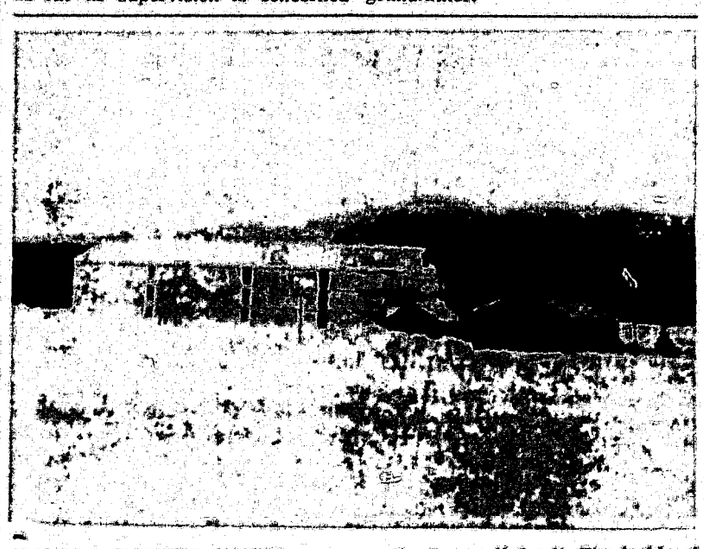
"I was so impressed because everyone is more or less on their own as far as supervision is concerned and I feel that is the way it should be so each student will know the importance of school and its responsibilities."

The girls would like to express their thanks and appreciation to the families who have invited them into their homes during the past week.

PLANNING BOARD TO MEET NEXT THURSDAY EVENING

Bethel Planning Board will meet at the Town Office next Thursday evening, Feb. 6. A discussion of the zoning ordinance adopted by the town in Sept. 1968 will b held. The Board will hold a public hearing on Feb. 13 on a proposed Building Code. Copies of the proposed code may be obtained at the Town Office.

Mr. and Mrs. Errold Donahue and family of Malden, Mass., were in town over the week end, called here by the death of Mrs. Donahue's grandfather.



MODERN CHICKEN HOUSE ERECTED IN MAYVILLE AREA

A new building located just north of the Androscoggin River Bridge on Route 2 in Bethel has just been completed by Oakley Godwin. This is one of the most modern (if not the most modern) broiler house in the state at this time. The building is built according to plans by the Cooperative Extension Service and the United States Department of Agriculture. It is 42 feet wide and 160 feet long and three stories high. It is environmentally controlled with fans, thermostats, and hot water heat. The building is fully insulated. It also has 40 foot automatic waterers and automatic feeders.

The ducts around the perimeter of the building allow fresh air to be evenly distributed about the building as the fans call for it. The inside of the ducts are fitted with special controls making the ventilation system easier to operate.

Many people have inquired what the building is for as it has no windows. It has recently been proved that broilers can be produced in this type of structure cheaper because light is controlled at a low level. This eliminates all competition between the birds for feed and water. The birds convert feed to meat at a lower cost.

Mr. Godwin was declared legally blind two years ago. With the help of his wife, Barbara, the building is expected to operate smoothly. Mr. Godwin is the second man handicapped in this manner to earn his living with broiler production in Oxford County.

COMMENTS FROM THE OFFICE OF THE TOWN MANAGER

The final budget committee meeting was held Wednesday night.

Reductions were made in several accounts in an attempt to offset the increased school costs.

The recommendations total $404,329 an increase of $45,009 over 1968. Of this amount, $40,695 is due to expected school assessment costs. We also budgeted $1,000 more for county tax.

A tax rate of $42 per thousand is indicated for the coming year. This will depend on how much additional valuation we have April 1.

The largest reduction was in the request for Highway Dept. Equipment. It was decided we should overhaul the loader instead of replacing the machine. A truck will be traded this year.

Mrs. Katheryn Eames who has been secretary to the town manager for several years and Town Clerk since Sept. 1, 1968, has resigned effective March 3, the date of Town meeting. The town office is accepting applications for the secretary's position.

DOLLARS FOR SCHOLARS GROUP TO SPONSOR MINSTREL SHOW FEBRUARY 28 - MARCH 1

The Dollars for Scholars under the chairmanship of Dana Douglass, Jr., together with his directors and committees in cooperation with theatrical talent in the five towns of SAD 44 including teachers and students will present a minstrel show on Friday, February 28 and Saturday, March 1, at Telstar Regional High School for the benefit of graduates of the class of 1969 who plan to attend college in September for scholarship aid. More information on this event will be available at a later date.

MISS KNEELAND TO SPEAK AT BETHEL NAZARENE CHURCH NEXT WEDNESDAY EVENING

Miss Harriet Kneeland, daughter of Mrs. Kneeland and the late Dr. Gerald Kneeland formerly of Bethel, will be speaking and showing slides at the Bethel Church of the Nazarene on Wednesday, Feb. 5, at 7:00 p. m. on the work of the Wycliffe Bible Translators. Hattie is a member of the organization and her work is among the natives of Peru.

Harriett is a graduate of Gould Academy, class of 1959, and of Houghton College, Houghton, N. Y., 1963. She attended two sessions of Wycliffes' Institute of Linguistics at Norman, Okla.

The Wycliffe Bible Translators Organization which has its headquarters in Santa Anna, Calif., has as its objective the translation of the Bible into 2,000 languages which do not have any written form.

The public is cordially invited to attend this service and hear and see the work that is being done in Peru.

Mr. and Mrs. Ranald Stevens visited Mr. and Mrs. Arnold McLean in Auburn on Sunday.

TAX RATE OF $42. FORECAST

ESTIMATED $404,329 NEEDED FOR TOWN'S OBLIGATIONS IN '69

Holding their third meeting Wednesday evening of this week the Bethel Budget Committee approved a budget of $150,058 for town expenditure, other than schools and County tax. Coupled with a S. A. D. 44 assessment of $243,271 and an estimated County tax of $11,000, an estimated $404,329 will be needed to meet Bethel's financial obligations in 1969. The committee authorized the taking of $40,000 from surplus to make the amount necessary to raise by taxation $364,329.

It is estimated that a 1969 tax rate of $42 per $1,000 valuation will result. This is a $5 increase over a year ago, and coupled with a $4 jump last year from the 1967 rate, would make a $9 rise in the past two years.

This year's budget reflects an authorization for just under an $8,000 increase in town spending, while a S. A. D. 44 assessment of $243,271 is a $40,695 hike over a year ago.

No major new projects were approved by the committee although increases in some accounts were authorized. An increase of $1,000 will be noted in the Miscellaneous Account, primarily because of increased cost of utilities, etc., at the more convenient location of the municipal offices. The committee recommended that $6,000 be raised for the capital account for future revaluation. It is expected that funds will be used from this account to obtain new tax maps which are a pre-requisite for any revaluation project.

The committee recommends $8,000 for the Highway Equipment account to permit replacing a 1964 vehicle. They suggested rebuilding the 1962 front-end loader as they hesitated recommending the amount necessary for a new unit at this time.

An increase of $2,500 is recommended for Shade Trees to enable the removal of diseased elm trees on town owned property and to continue a planting program.

As there is a $400 balance remaining in the account, the Red Cross Swimming program was omitted this year. The committee was informed that the program would continue for this year on the balance remaining.

Two new accounts were authorized: Androscoggin Home Health Service, providing a visiting nurse program, for which a request of $365 is recommended; and $200 to provide Collision Insurance for the newer vehicles of the Highway Department.

The members of the Budget Committee are: Richard Davis, chairman; John Frankevicz, Don Stecher, Bruce Bailey, Leslie Smith, Sumner Burgess, William Cousins, Edward Wheeler, Edward Robertson, Charles D. Merrill, Dwight Merrill, and Clarence Rolfe.

TELSTAR HIGH SCHOOL TO BE FEATURED ON SUNDAY T. V.

Telstar Regional High School will be featured on the new television series "School Programs and Current Education" at 12 noon on Sunday, Feb. 3, over WGAN-TV, chan. 13, Portland. The program entitled "A Roof Over their heads" is expected to compare Portland schools with the program offered at Telstar. Principal Richard Vaughan will narrate a film recently taken at the school.

LOCAL CANDIDATES MUST FILE PETITIONS BY FEB. 17

Persons desiring to have their names placed on the ballot for the annual Bethel town meeting election on March 3, must file nomination petitions with the Town Clerk by Monday, Feb. 17.

Two slots on the Bethel board of selectmen and assessors are slated to be contested this year. The terms of James T. Hudson, chairman, and J. Jay Willard are expiring. Both men were elected to three year terms in 1966. Neither have stated whether they plan to seek re-election.

The terms of Dexter M. Stowell and A. James Fiske as Bethel members of the S. A. D. 44 board of directors expire in March. Reportedly neither man has announced intentions of seeking re-election to another three year term.

The position of Fire Ward will also appear on the local ballot. Roderick McMillin has held this post for several years.

Mrs. Katherine Eames will not seek election as Town Clerk, a position held by her since September when she was appointed following the retirement of Mrs. Violet Bennett. Mrs. Eames has resigned as secretary to the Town Manager, effective March 3.

BETHEL P. T. A. HOLDS MEETING MONDAY

The Bethel PTA met Monday, January, 27th at C. P. S. with President Arnol Brown, presiding and twenty-one present.

The main topics of discussion were whether or not to join the National PTA and the purchase of an eye testing machine. A committee was selected to further check into the advantages of belonging to the National PTA and to decide if we wanted to belong.

A committee was also appointed to purchase an eye testing machine not to exceed the sum of $250. Allen Messer had stated at the first meeting the need for this machine because of its increased accuracy over the present eye chart testing system. It was agreed that this machine be housed at CPS and with the approval of the CPS principal be loaned to any elementary school in the district that requested to use it.

The money appropriated for magazine subscriptions has been used and the magazines have started arriving.

Chairman of the New Year's Eve Dance, Eldon Greenleaf, gave a report on the expenditures and proceeds of this event. Proceeds were down from last year largely due to the numerous last minute cancellation of reserved tickets. It was suggested should the PTA have a future dance that this be handled differently so that the PTA would not suffer the loss of cancellations.

Miss Helen Varner reported that the medical supplies needed for C PS and Ethel Bisbee had been received from the Red Cross.

MASONIC TRUSTEES TO SPONSOR SNOBALL CABARET FEB. 22

The trustees of the Masonic Lodge are sponsoring a SnoBall Cabaret to be held February 22 at the Top Hat. Music will be provided by Basil Green and his five piece band.

Further information will be published at a later date.

DIRECTORS APPROVE $1.32 MILLION BUDGET FOR S. A. D. 44 IN '69

At a special meeting of the board of directors of School Administrative District 44 held at Telstar Regional High on Monday evening of this week, approval was granted a $1,329,327 budget for 1969. Of this amount $665,677 will be raised by the five towns in the district.

As all but one portion of the budget was approved in meetings last week discussion was held on the remaining part, instruction. Richard Vaughan, principal of Telstar Regional High School, was called upon by Superintendent Ralph K. Ryder to present a request for an additional language teacher for the high school. After much discussion, the board went into executive session following a motion to do so by Mrs. Joan Wiese, Bethel. Following the executive session the request was approved by the board by a seven to three margin.

Mrs. Wiese commented that the board should have a policy to determine salaries of the District administrators. At the present time administrators' salaries are set by the board of directors.

A part time librarian for Crescent Park School was rejected by a six to three margin of the board, following a motion by Mrs. Wiese to do so, seconded by Theodore Chadbourne of Bethel.

Following additional discussion on instruction, that portion of the budget was approved by a vote of nine to three, on a motion of Richard Melville of Greenwood, seconded by Milton Mills of Woodstock.

The $1,329,237 budget was approved by a nine to two margin after a motion by Mr. Melville, seconded by John Ricker of Andover. Mrs. Wiese requested that her name be recorded abstaining from voting on the budget.

The board accepted Mr. Ryder's recommendation that the annual District Budget meeting be held on Wednesday, Feb. 26, 7:30 p. m. at Telstar Regional High School.

The administration is to set a schedule for an open house at Telstar sometime in February.

The effect of a coffee vending machine located in the high school cafeteria on the hot lunch program, will be studied by the administration, and a report made to the directors in March.

James Fiske of Bethel acted as chairman of the meeting in the absence of Dexter Stowell, Bethel. Other board members not present were: Paul Wight, Newry; Eddie Snyder, Andover, and Lester Bickford of Greenwood.

The next regular meeting of the board of directors will be held on Monday, Feb. 3, at 7:30 p. m., at Telstar Regional High School. Agenda items include: action on a proposal to limit discussion at board meetings to agenda items; discussion on salary schedule for administrators; open house plans discussion. There will also be discussion action on a petition by pupils attending Telstar for a smoking room or area at the school.

SOUTH WOODSTOCK

— Mrs. Olive Davis, Corres. —

Mr. and Mrs. Shepherd, Berlin, N. H., called on Mr. and Mrs. Harlan Andrews Sunday.

The past week has been warm and fair compared to the first part of the winter. One feels as though he can breathe again without turning to an icicle. The sun porch was wonderful on those beautiful sunny days. One day it was so warm out there that we opened the window to cool it off. I spent from 11 a. m. to 3:30 p. m. basking in the sun.

Mr. and Mrs. Wendell Allen of Buckfield called on Mr. and Mrs. Harlan Andrews Saturday.

Many watched the inauguration on the 20th. What a wonderful thing TV is! First hand information of historical events can't be beat but if it's too far away the TV can bridge the distance very well.

—

BETHEL LIBRARY

We now have puzzles which will interest adults, and also some for little four-year-olds that are wooden.

New books at the library:

"The Chosen," by Chaim Potok. With dramatic force and a simplicity that seizes the heart, "The Chosen" reveals to us the eternal, powerful bonds of love and pain that joins father and son and the force that binds boys of the same interest together.

We have two recent books from the Detective Book Club which includes three detective stories in each. These books are very popular and have been given to the Library by Kimball Ames for some time.

Lucky You—Tax Refund Due!

Working on your Federal income tax?

Then look ahead to Line 25. It gives you a choice welcomed annually by millions of taxpayers.

Line 25 of Form 1040 (or line 11 on the 1040A) asks you to check whether you want a cash refund, or U.S. Savings Bonds to make the same cash last longer and go farther.

It's the easiest thrift decision you'll ever make.

It's the way to hang onto your refund until a time when you'll need it more . . . and make it grow meanwhile at a guaranteed rate of 4.25% when held to maturity. There is nothing safer or surer—and even if your Bonds are lost or stolen they'll be replaced for you.

Leave your tax refund in Uncle Sam's pocket this year, with his promise to pay you a little over four dollars for every three later on. It takes money to build a better America. That's why so many of us file Form 1040 . . . and take refunds in Savings Bonds.

WEEK IN OXFORD CO.

Dr. James MacDougall, a prominent physician of Rumford, was feted recently by a group of colleagues and their wives on the occasion of his 81st birthday. A social hour and dinner were enjoyed at the home of Dr. and Mrs. Peter B. Aucoin. Dr. MacDougall has practiced medicine in the Rumford area since 1923. Dr. and Mrs. MacDougall maintain their home on Penobscot Street.

Dr. Robert A. Liss, guest resident, from the Bingham Associates, Boston, conferred at Rumford Community Hospital last week. He conferred with the medical staff members and nursing personnel. He gave two staff lectures and a special inservice education program to nursing personnel on bronchial asthma and emphysema. His specialty is cardiovascular disease. Dr. Liss visited Gould Academy with the physician who serves as Academy doctor. Dr. Liss is a native of Washington, D. C.

A 2½ year old boy, William Daniels, son of Carol Lee Norton Daniels of Buckfield tumbled into a well and seven feet of water Tuesday while playing in the yard. He was taken to the C. M. G. Hospital, Lewiston. It was reported his grandmother, Mrs. Mae Norton (who lives next door, climbed down the well and held the boy above water until help arrived. Gordon Fields, a neighbor administered mouth to mouth resuscitation pending the arrival of Fire Chief Earl Fothergill with the respirator.

Henry Yosel of Rumford was killed Saturday night when his plane crashed about 15 miles southeast of Ashtabula, Ohio. He reportedly had left Rumford on Saturday enroute to Chicago.

The Oxford County Commissioners are asking for a 1969-70 budget of $951,900, an increase of $305,900 over their previous budget.

RUMFORD MAN NAMED SALMON COMMISSION BIOLOGIST

Commissioner Ronald T. Speers, Chairman of the Atlantic Sea Run Salmon Commission, has announced the appointment of Edward T. Baum, Rumford, as a biologist for the Commission.

Mr. Baum, 23, graduated from the University of Maine in 1967. While a student, he worked one summer for the Maine Fish and Game Department. He worked as a fishery biologist with the Rhode Island Department of Natural Resources for a year before returning to Maine. He replaces Richard Cutting who resigned to take employment in Newfoundland. Mr. Baum is married to the former Peggy Dorian of Rumford. They have one daughter and will live in Bangor.

NAME NEW SUPERVISOR WHITE MT. NATIONAL FOREST

According to an announcement by Regional Forester George S. James, Robert S. Tyrrel has been named as forest supervisor of the White Mountain National Forest, replacing Gerald S. Wheeler who retired January 24.

"Bob Tyrrel's varied experience and his performance makes him a logical choice for the forest supervisor of New England's largest National Forest," Mr. James said.

Tyrrel was a staff assistant on the White Mountain National Forest, with headquarters at Laconia, New Hampshire. His responsibilities included fire control, water and soils management, along with information and education.

After graduating from Iowa State University in 1959 with a bachelor of Science degree in Forestry, Tyrrel held assignments on the Shawnee National Forest in Illinois, and the Chippewa and Superior National Forests in Minnesota. He was district ranger on the Isabella Ranger District of the Superior National Forest prior to his appointment in 1965 as the Director of the Isabella Conservation Center, which was the first Job Corps Civilian Conservation Center in Minnesota. He held this position until he became the information and education staff officer for the Superior National Forest prior to his New Hampshire assignment.

Mr. Tyrrel and his wife, Janet, have four children, Karl, Lori, Steven and Rodney, ranging in age from four to nine years old. They reside on October Lane in Gilford.

He is an Army veteran and member of the Society of American Foresters.

BLUE CROSS OPEN ENROLLMENT SET FOR FEBRUARY 1-15

A statewide open enrollment for Maine Blue Cross and Blue Shield Companion Plan to Medicare has been set for February 1-15 it was announced by Richard F. Nellson, executive director of Associated Hospital Service of Maine.

He also announced that during the same period there will be an open enrollment for extended coverage, underwritten by Blue Alliance Mutual Insurance Company for all Maine residents as a supplement to their Blue Cross and Blue Shield Plan.

The special open enrollment for "Blue Cross and Blue Shield 65" Companion Plan is being held in conjunction with an open enrollment declared by the Social Security Administration to allow persons who have not previously done so to sign up for parts A and B of the Medicare Program. Their announcement allows persons 65 and over to enroll during January, February and March with the coverage to become effective July 1 of this year. In most cases the effective dates of the Blue Cross and Blue Shield and Extended Coverage will be earlier for those persons taking advantage of this enrollment.

The Blue Cross and Blue Shield Companion Plan has nearly 50,000 now enrolled. The program is tailored to fill many of the gaps and coinsurance features not covered by Medicare. Applications for both programs will be accepted without a health statement during this special open enrollment.

The extended coverage program which is administered by Associated Hospital Service of Maine, is available to residents of all ages now enrolled or who will become enrolled in Blue Cross and Blue Shield at a minimal cost. This extended coverage strengthens existing contracts for those over 65 as well as the basic Blue Cross and Blue Shield contracts for those who are less than 65 years old.

Nellson said that although this is a special enrollment period for these two plans, others eligible can join the regular plans of Blue Cross and Blue Shield at any time.

IN AND ABOUT BETHEL

Mrs. Dexter Stowell attended an overnight retreat at Rockcraft Lodge in Sebago of the State Council of the State Women's Fellowship of the Congregational Church. Mrs. Stowell is vice president of this council. Mrs. Barbara McCall of New York City, member of the lay life and work committee led the retreat, assisted by Miss Mary G. WOODSTOCK

The South Woodstock Seventh-day Adventist Church has recently been the recipient of a Carillon. This is a gift of the Thurlow family under the sponsorship of Mrs. H. Maybelle Thurlow.

Members of the Junior Class who received Bibles in recognition for perfect attendance in Sabbath School for one year were: Stephen Dunham, Eelon Hadley, Jr., Faye Wilson, and Wendy Morgan.

GIRL SCOUTS OF KENNEBEC COUNCIL TO TAKE ORDERS FOR COOKIES FEB. 1-8

Girl Scouts of Kennebec Girl Scout Council, except for Brownie Scouts will be taking orders for Girl Scout Cookies February 1 to 8 throughout Southwestern Maine. Mrs. Merton C. Olsen, Cape Elizabeth, is general chairman of the annual sale, and Mrs. Norman Auger, Hanover, is cookie sale chairman for Telstar Association.

Proceeds are used to support the Council's four resident camps and 13 day camps, supplementing the fees which campers themselves pay. Kennebec Council is supported by nine Funds and Community Chests and by many town financial drives in non-Fund-Chest areas. This money is allocated for Council operating expenses, however, and does not subsidize camping.

In 1968 Cookie Sale profits bought 10 new tent platforms and 17 new tents, two camps trucks, $2500 worth of equipment for day camps. One hundred girls from low-income families were enabled to attend camp with the help of cookie proceeds.

Cookie varieties are vanilla, sandwich, peanut butter, fudge-filled, and chocolate mint.

ANNUAL SKI JUMPING AT BERLIN, N. H., FEB. 15-16

Nansen Ski Club officials of Berlin, N. H., have announced that the annual ski jumping championships will be held Feb. 15 and 16. Mike Savchik, president of the organization, stated that the club will host the Eastern Ski Jumping Championship. The Easterns is the second biggest ski jumping event held in this country. A field of 100 national and international jumpers will participate in the event off the 180 foot high Nansen jump, the highest steel structure jump in the world.

Savchik stated that the event is being held early this year because of the National Ski Jumping Championship which is taking place in Brattleboro, Vermont, the following week end. It is expected that many of the world's top jumpers who are to compete in the Nationals will also compete in the Nansen-sponsored Easterns.

NEW ELDER ASSIGNED TO THIS AREA

Elder John R. Serra has recently been assigned to this area as part of a missionary program of the Church of Jesus Christ of Latter-day Saints. Elder Serra arrived from Farmington, Maine where he has been working for the past two months.

Before coming on his two year mission for the Church, Elder Serra lived in Campbell, California, and attended San Jose City College where he majored in Vacuum Technology.

He will be working with Elder Allen Beagley from Salt Lake City, Utah, who has been in this area since last October. They will remain in the New England area for two years and then return to their homes.

These two young men are part of a worldwide missionary program which includes 14,000 elders and sisters throughout the Free World.

There is no paid clergy in the Church of Jesus Christ of Latter-day Saints. They serve from 18 months to 2½ years at their own time and expense. Money was set aside for this purpose before coming here.

While in this area the elders will be meeting with the families and explaining the beliefs of the Church. They live at 271½ Court Street in Auburn and their telephone number is 783-6393.

Church services are held at 10:30 a. m. and 6:00 p. m. at the South Paris Branch Chapel on Maple Street, South Paris, every Sunday. Everyone is invited to attend.

CASH TIP INCOME IS SUBJECT TO WITHHOLDING

Employees who receive cash tips of $20 or more in any calendar month, while working for one employer, must report the amount of tips received to that employer.

Whitney L. Wheeler, District Director of Internal Revenue for Maine, pointed out that cash tips are subject to withholding of income and Social Security taxes and must be reported to the employer on or before the 10th day of the following month.

The Internal Revenue Service has available free of charge Document 5635, "Employee's Daily Record of Tips and Report of Tips to Employer," which explains briefly the requirements of the law and the forms needed to make the necessary report.

Mr. Wheeler emphasized that tip income counts toward Social Security and Railroad Retirement benefits and can result in higher benefits for the employee and his family.

A group of 70 from Park Street Church, Boston, spent the week end at Sunday River Inn. A Saturday night movie, "The Guns of Navarone" was shown to the group and several guests.

BETHEL METHODIST CHURCH TO HOLD ANNUAL CONFERENCE AT RUMFORD CENTER CHURCH

The members and constituents of the Bethel United Methodist Church will hold their Annual Charge Conference in the Methodist Church of Rumford Center on Tuesday, February 4th at 7 p. m. Rev. H. Travers Smith, Superintendent of the Portland District will preside. Reports from church committees and commissions including a pastor's report and a treasurer's report will be given.

NURSES ARE NOT SCARCE IN BURRIS FAMILY

—from CMG News

Who's a Nurse in the Burris family of West Bethel? The question is almost unanimously answered by "I am", as Mrs. Burris and four daughters have chosen the nursing profession.

Mary and Margaret, twin daughters of Mr. and Mrs. Franklin E. Burris, graduated from the Central Maine General Hospital School of Nursing in the class of 1968, and another daughter, Linda, is a senior nursing student at CMG. The mother, Mrs. Doris Burris, is a Licensed practical nurse and one other daughter, Mrs. Gloria Hopkins, a graduate of Massachusetts General Hospital, Boston, now lives and works in Wisconsin. And to make the "yes" more unanimous, Mr. Burris' sister and her three daughters are all registered nurses.

Following graduation, Margaret has been employed in the maternity section at CMG, and Mary, now Mrs. Jonathan F. Lockwood, is employed in the Intensive Care Unit. Receiving their diplomas from CMG has not ended their desire for further education as Margaret and Mary are now enrolled in the University of Maine Continuing Education courses. Advanced education or specialized training in such areas as pediatrics, maternal and child care nursing, psychiatric nursing, or one of the many facets of medical and surgical nursing which are available to today's nurse.

When asked why she chose nursing as a career, Mary was quick to indicate she was influenced by her mother's profession and the opportunities it offered to help others, and also by the economy of obtaining a nursing education as, in addition to the four daughters who are nurses, Mr. and Mrs. Burris have a son and two other daughters.

Letters to the Editor

Dear Editor:

Snow emergencies are a problem not easily solved with conventional cars, ambulances, and trucks. Such vehciles sometimes are stopped by severe snows. Deep drifts render whole areas impassable for hours, even days.

Aware that the need for emergency vehicles intensifies under such conditions Bombardier Ltd., pioneer and leading maker of snowmobiles, has instituted a program through those of us who are Ski-Doo snowmobile dealers to help prevent winter tragedies caused by heavy snowfalls.

We are encouraging snowmobile owners in our area to drive or donate their snowmobiles in public emergencies to rescue stranded motorists, help drifted-in persons who are ill and must receive medical attention or reach a hospital, aid firefighters or police, etc.

First of all, we are asking interested snowmobile owners to register with us. You then will have access to our list of registrants for emergencies—and also will help by providing fuel or emergency snowmobile service as needed when we know where the emergency snowmobilers are going.

Secondly, we will present a J-A Bombardier Public Service Award—decal for snowmobile, jacket armpatch, and certificate of recognition—to any snowmobiler who assists public agencies or individuals in snow emergencies. To this end, we would ask that you notify us of any persons who provide such assistance to you, so that they may be honored.

This program has been developed to assure that fun snowmobiles also become humanitarian snowmobiles in times of need. The founder of Bombardier Ltd., the late J-A Bombardier, saw one of his sons die of appendicitis because the roads of rural Quebec were choked by waist-high snow, blocking access to medical attention. That tragedy was the driving force behind his development of successful snowmobiles.

You are urged to take full advantage of our Bombardier snowmobile emergency fleet. At time of emergency, telephone us any time—day or night, and we will help you coordinate help from our registered snowmobilers.

Very truly yours,
Ernest Angevine
Ski-Doo dealer

GROWTH OF N. T. L. OVER 20 YEARS CHRONICLED

For over 20 years the National Training Laboratories have been holding conferences in Bethel. The N.T.L. Institute for Applied Behavorial Science has become known world-wide. The area has benefited greatly from the location of the N. T. L. programs in Bethel. The following article may be of interest to those who desire to know the function, growth and purposes of the Inence has grown, first attached to the National Education Association for basic support and later separately incorporated, to be a major organization of 60 persons in the central offices and a network of 400 university-based behavorial scientists located in universities around the world.

From the small group of 100 who came to Bethel in 1947, NTL has stitute!—

In the summer of 1947, a small group of behavorial scientists, located at MIT, Harvard, Columbia and the National Education Association, began a unique experiment in new ways of learning in the area of human behavior. They located this first experiment at Gould Academy in the small town of Bethel, Maine. A hundred adults, leaders in various occupational fields, came from many parts of the United States to be students in this uniquely different way of learning how to improve their skills of leadership, deeper understanding of themselves, increased sensitivity to others and ability to aid groups and organizations, whether in the field of industry, education, health, government or community affairs, to grow and improve.

From this small experiment, which proved to be excitingly successful, an educational process has spread around much of the world.

From this first summer, the NTL Institute for Applied Behavioral Scinow built its own summer Conference Center in Bethel for 100 persons, but also continues to utilize the facilities of Gould Academy and local inns, as well as rents over a hundred houses in Oxford County. Approximately 2,500 persons a summer now attend programs each summer in Bethel, and a conservative estimate indicates that this brings at least a million dollars a year into the State of Maine.

The initial purpose of the experiment was to develop new and more

The Junior Girl Scout Troop planned a Valentine Supper.

RUFUS E. RICE

Rufus E. Rice of Bethel died Monday, January 27, 1969, in Rumford.

He was born in Waterford, May 18, 1918, son of Burnham and Maude Bell Rice. He attended schools in Waterford and Andover and was employed by Burritt Lumber Sales, Bridgeport, Conn., as a lumber grader for 15 years. He worked for the past five years at Ekco Housewares, Locke Mills. Mr. Rice was a member of the American Legion, Bethel.

Survivors include his widow, Mary Clough Rice, Bethel; two sons, Douglas, of New Haven, Conn., and Donald of Waterford; two daughters, Mrs. Donna Howe, South Paris, and Miss Sally Rice, Bethel; a sister, Mrs. Erva Truman, Gardiner and four grandchildren.

Services were held Wednesday afternoon from the Greenleaf funeral home with Rev. Clifford Laws officiating. Interment will be in the Songo Pond Cemetery in the spring.

Donations in memory of Mr. Rice may be made to the Songo Pond Cemetery Fund in care of Mrs. Ralph Kimball.

HISTORICAL SOCIETY REMINISCES AT MEETING LAST THURSDAY

The Bethel Historical Society met at the Casco Bank Community Room on January 23 for a lively hour of reminiscence. Memories thanks to Mrs. Alice Smith held a keen interest. She even went back to the night the Henry Fords came to Bethel Inn where the last available room was in the ell of the Straw House. Next morning, Mr. Ford thanked Mrs. Cilley for the first time he ever had a good sleep in a woodshed.

Yards of pennies received are three from Florence Thurston, one from Kimball Ames, and four from Pearl Tibbetts. The score now stands at 565 yards with $656.31 in the endowment fund.

GOULD STUDENT NAMED FOR WASHINGTON, D. C., STUDIES

Susan Pollack, a senior at Gould Academy, has been selected as one of 350 students to go to Washington, D. C., as a member of the Presidential Classroom for Young Americans. She is the daughter of Lt. Col. and Mrs. Joseph A. Pollack of Harrison.

She will join with students from all over the nation to attend the 3rd class of a special course in government to begin March 8-March 15.

The Classroom is a new educational project planned to teach government operation to selected high school seniors for a concentrated seven day period. There will be five classes in 1969. The Class aspires to accomplish the following, according to Senator William B. Spong, Jr., Virginia: "... an opportunity for in-depth study of the intricacies of the U. S. Government; to enlighten these seniors through personal involvement by showing them what the govment is doing in various fields; to encourage dedication to and understanding of the American system."

Students, selected by their principals, must have outstanding academic and personal school records to merit this designation. Only a total of 1,750 U. S. students will participate in the program for this year. The rapid enrollment of students and the letters of appreciation and encouragement about the school, indicate the success of the undertaking.

Arriving in Washington on Saturday, students will be met at local airports, bus and train terminals and escorted to the Washington Hilton Hotel where they will live, eat and attend daily classes during the week.

The syllabus includes academic instruction in the three branches of government; executive, legislative and judicial. Field trips will offer the opportunity to meet and talk with Congressmen and Senators as well as chiefs of government departments, agencies, city planners, ambassadors and national news media personnel. Although this is not a tour, students will have one afternoon during which they will be able to visit such national landmarks as Mount Vernon, The Arlington National Cemetery and other historic sites.

The weeks study in Washington will conclude on Friday with a review and examination of the work covered during the week and a graduation banquet complete with yearbook and diploma for each student.

The Presidential Classroom, a non-profit, non-partisan organization, hopes that upon returning to his or her school the graduate will share the weeks experience with the student body and the community. The purpose and success of the Presidential Classroom rests upon the individual student, his school and community in insuring the future of this academic adventure in the study of government.

CARD OF THANKS

I would like to thank all my friends and relatives for the many kindnesses shown me and my family during my stay in the hospital and since my return home.
